

Refer your patients to Apollo's Healthcare Practitioners
for consultations & ongoing cannabis care.

We can also set up a lunch and learn
with our cannabis experts, to teach your team about medical cannabis

Why Apollo?

- Four convenient locations in Toronto
- Evidence based care; Conducting REB-approved cannabis research since 2014
- Psychiatrists, Anesthesiologists, Physiatrists, Palliative Care experts & Pediatric doctors on staff
- Providing support for patients 7 days a week; Ongoing education, support and monitoring
- Ability to see patients anywhere in Canada from the comfort of their own home

Common Conditions Treated With Medical Cannabis:

Fibromyalgia	Spinal Cord Disorders	Anxiety
Cancer	Palliative Care	PTSD
Neuropathy	HIV/AIDS	Depression
Arthritis/Osteoarthritis	Psoriasis	ADD/ADHD
Endometriosis	Muscle Spasms	Panic Disorder
Sexual Health Issues	Gastrointestinal Disorders	Epilepsy
Multiple Sclerosis	Sleep Disorders	Inflammation
Chronic Pain	Migraines	Other conditions

Our Health Care Practitioners assess every patient's eligibility for
Medical Cannabis treatment and only prescribe when appropriate.

Apollo is now treating patients Canada-wide.

* Referrals to Apollo will not affect FHO/FHT access bonuses *
